## MFASHINGABO Prince

## Web Developer

### Education

#### Bachelor's of Science OF INFORMATION TECHNOLOGY IN NETWORK AND COMMUNICATION SYSTEMS

From October 2017 to December 2022

[Adventist University of Central Africa](#) Kigali, Rwanda

### Work experience

#### Professional Internship

From February 2022 to July 2022 [Gennext Tech Solution](#) Kigali

- Collaborated with a team of developers on [specific project], and gained experience in [JavaScript(react),TailwindCss].
- Assisted in debugging and resolving technical issues, improving application functionality and user experience.
- Participated in code reviews, learning from senior developers and improving coding practices.

#### BootCamp

From February 2023 to May 2023 [Solvit Africa ltd](#) Kigali

I had the opportunity to gain valuable experience and contribute to impactful projects during my BootCamp. Working alongside a team of experienced developers, I developed and implemented front-end solutions that improved user experiences and supported the overall goals of the organization. Throughout my bootcamp, I demonstrated strong technical skills, a collaborative mindset, and a passion for creating user-centric web interfaces. I actively contributed to the development process, from translating UI designs into functional code to troubleshooting and optimizing front-end performance. My BootCamp experience provided me with hands-on experience, enhanced my problem-solving abilities, and solidified my understanding of front-end development best practices

### Skills

#### Software Development

- Strong problem-solving skills with a logical approach to coding challenges.
- Quick learner with the ability to adapt to new technologies and programming languages.
- Effective communicator and team player, willing to collaborate and contribute ideas.
- Detail-oriented and committed to writing clean and maintainable code.

#### Programming

- Frontend (JavaScript(reactJs ,VanillaJs),TailwindCss,Html5) ,UI/UX
- Backend(NodeJs)

#### Linux Admin

- Server Administration ,Version Control
- System Monitoring and Troubleshooting
